

# TPMS REPLACEMENT PARTS KIT

## TPMSRK1 – TPMS Replacement Parts Kit

Tech International is pleased to offer a TPMS kit that will provide replacement parts for TPMS sensors for approximately 75% of the sensors on the road today. The Tech International TPMS replacement parts kit contains the parts to service major OE brands such as Cadillac, Chevrolet, Chrysler, Dodge, Ford Truck, GMC, Jeep, Lincoln and Mitsubishi.

The TPMSRK1 Replacement Parts Kit contains all components necessary to properly service the TPMS sensor valves. If additions are made to the kit, your customer can add these new components without them having to purchase a complete kit. All component parts will be available separately.

For more information, contact your Tech International representative.

**TPMSRFC**

**TPMSRFB**

**TPMSRFA**

**TPMSRK1 – Replacement Parts Kit. Contents:**

<u>Item Number</u>	<u>Item Description</u>	<u># in Kit</u>
<b>TPMSRFA</b>	O-ring, valve nut, valve core and valve cap parts	<b>20 packs</b>
<b>TPMSRFB</b>	O-ring, valve nut, valve core and valve cap parts	<b>20 packs</b>
<b>TPMSRFC</b>	O-ring, valve nut, valve core and valve cap parts	<b>20 packs</b>
<b>VH60GRY</b>	Grey sealing valve cap	<b>1 Bag/100</b>
<b>VH604</b>	Two way valve core tool, valve deflator	<b>1 Each</b>
<b>VH1430HT/1</b>	Nickel plated valve core	<b>1 Bag/100</b>
<b>VH609</b>	Valve Core Torque Tool (4 in/lb specification)	<b>1 Each</b>

**\*\*\* Please Note:** Substituting standard valve cap, valve core and grommets for the kit components is not recommended. All component parts are specific to the original OEM product.

The kit includes packets for repairing 60 TPMS sensor units. The label inside of the kit lid lists the specific make and models of vehicles that this kit is designed for. This application guide will be updated as needed.

The TPMSRK1 Kit components, combined with the sensor triggering tools and Tech International's TPMS Training, gives you and your service technicians the information and knowledge to manage the changing tire and rim requirements in North America and also gives you an excellent new selling opportunity.

Tech International will continue to add new parts and/or components for TPMS as they become available to ensure you and your technicians have a 'Full Tool Box'.

**Good Selling!**
