

Mobile Axle Stand

Introducing Winntec's **Heavy Duty 20 Ton Axle Stand Set** (catalog number G452000). These axle stands are sold as a set of two per box and include handles for easy maneuverability.

Product features include:

- Extended handles for easy and safe placement
- Spring loaded, swivel wheels for easy and save placement
- Low profile – 9.85" (250mm) minimum height
- Maximum Height – 15.75" (400mm)
- Capacity – 20 ton (metric)

The 20 ton axle stands make the job easier and this design ensures **maximum safety** for the worker. By using these innovative safety products there is no need to crawl under a heavy vehicle to position the axle stand.
